Ashley Horner,

I sincerely appreciate the support you've given us in the past and I'm happy to report back about how your 300 Mile Row impacted the K9 community.

You raised over \$10,000.00 for Spike's K9 Fund.

Because of your efforts, we were able to provide ballistic protection to FOUR police K9s. Your investment in the K9 community by helping us provide bullet/stab proof vests to deserving working K9s is exemplary. The community is safer because of your efforts and we are proud to assist you in serving K9s in need. Each K9 is now protected every time he has to track or apprehend a dangerous suspect.

We have attached a photo of one of the vests you provided, with your name embroidered on their vest. The other photo shows a K9 that benefitted from your efforts, removing drugs from the street. Since they are now equipped with the same gear as their human counterpart, the community in which they serve will also be a safer place to live.

We are extremely grateful for your support in the K9 community and contribution to our mission. Thank you for making a difference, we look forward to working together in the future!

Gratefully,

James Hatch
